RE: TRS Consumer Complaint Log Summaries for June 1, 2017 through May 31, 2018
CG DOCKET NO. 03-123

Dear Ms. Dortch,

The Washington Office of the Deaf and Hard of Hearing respectfully submits the enclosed complaint log in connection with the provisioning of Telecommunications Relay Service pursuant to Section 64.604(c)(ii) of the FCC's rules. Hamilton Relay, with corporate offices located at 1006 12th Street, Aurora, NE 68818, is under contract with the State of Washington to provide Telecommunications Relay Service.

Hamilton tracks all complaints and all other customer service activity for the State of Washington. Washington's complaint summary is associated with complaints related to FCC TRS rules.

Hamilton processes any complaint, which originates via a toll-free telephone number, e-mail, web-site, in person, in writing or via Live Chat. We strive to respond to all customer inquiries within 24 hours and to resolve complaints within 72 hours.

Of the 14 total TRS complaints in Washington, 7 of them were expressed from a relay user who has had difficulty with our procedures and processes. Customer Service personnel and Hamilton Relay Management have spoken with this user on several occasions to assist, but this customer still does not fully understand Hamilton Relay policy and procedures. Customer Service will continue to work with this relay user. In addition, Washington Relay has received total of 1 CTS complaint in violation of FCC minimum standards for the same time period.

Please feel free to contact me at 360-339-7762 or Dixie Ziegler with Hamilton Relay at 800-618-4781 V/TTY with any questions regarding the above.

Sincerely,

A handwritten signature in blue ink, appearing to read "S. Peck".
